Email link

If you would like, you have the opportunity to be linked to your Apprentice via email with each Apprentice chosen after a carefully briefing on what is appropriate for their correspondence. We encourage communication so that you can share together what God is doing in your lives, pray for and encourage each other.

Apprentices will be aware that the financial expectation from ministry partners is that of a once off gift for the course and that to be approached by the person they support for further needs however grave, would be highly inappropriate, even rude.

Whilst we do not anticipate any problems in the vast majority of cases, we recognise the temptation this may bring for Apprentices and the potential difficulties for Ministry Partners. As such, both the Apprentice and Ministry Partner are asked to comply with a few guidelines as below:

1

All correspondence between ministry Partners and Apprentices must have LWU copied in using the email:

studentlink@livingworduganda.org

2

Apprentices will not write regarding any need for money or material possessions, either for themselves or for anyone known to them.

3

Ministry Partners will not donate any money or material possessions to the linked Apprentice without first contacting LWU to assess suitability.

Partner with a Bible Student/An Apprentice in Uganda

"During AMT classes I enjoyed receiving feedback from the lecturers which helped me understand my areas of weakness, strength and what people knew of me. The lectures that stood out for me were Missions, Understanding New Testament, Children's ministry, Prepare to preach and Doctrine of God. I personally wish I had a way to tell the world the AMT is a journey to walk for everyone that is passionate about Bible teaching ministry."

[Abraham Mumbere-2019 Apprentice]

LWU will provide support and deal with any concerns regarding the correspondence - via the same email address,

studentlink@livingworduganda.org

Ministry Partners and Students/Apprentices

Who am I linked to?

Living Word Uganda works in partnership with the Ugandan Church and likeminded organisations across the globe for “mutual encouragement, prayer and understanding to the glory of God.”

Our Student Support Scheme is the means by which you can provide the wonderful opportunity for a student to:

Train on the LWU 6 months Apprentice Ministry Training program and attend the LWU national conference.

We don't ever want to turn away gifted and passionate students for apprenticeship who would highly benefit from our training because they can't afford it.

Understanding the Partnership

We see our partnership as a mutual commitment, placing all parties on an equal plane and not simply one of giving and the other receiving. Being truly rich as God sees it, involves each of us bringing our various strengths and endowments to the partnership for God's glory.

Because of this “Apprentice” and “Ministry Partner” are our preferred terms to describe this relationship. We caution against any use of language which may undermine the “equal, but different” roles in the partnership.

The word “sponsor” should be avoided for a “sponsor” would not normally have correspondence with those they support. As such we encourage the Apprentices to avoid thinking of Ministry Partners as “sponsors” and think instead of them as partners, people with whom they will pray, seek godly advice and share encouragements as they seek to serve Jesus in their own specific contexts.

By becoming one of our Ministry Partners you will be providing a wonderful opportunity for young man or woman in Uganda to have solid Bible training.

You will be given a specific profile of the person you are supporting or you can choose whom you would like to support by viewing the Apprentice profiles on our website, www.livingworduganda.org We hope that this gives you a good idea of why your partnership is so valuable and how LWU is making a difference to their faith and life.

How much does it cost?

The total cost per apprentice for 6 months is £360. This caters for training materials including books, internet access, travel costs and meals. “If you are able, please provide the whole amount, though all contributions, however small are most welcome”
